Dear Principal:

Per Memorandum NO. 3619.0 (Rev.) 2007-2008 Migrant Education Program, and Identification of Migrant students, see enclosed, the Migrant Education Program Family Questionnaire should be included in each enrollment packet. If the Family Questionnaire is currently included in your school enrollment packet, thank you. Your assistant is greatly appreciated.

It is important that the enclosed questionnaire be included in your school's enrollment packet so that all new migrant students are identified. This allows us to notify eligible students and their families in order to provide them with additional educational services, as well as help your school address CPM requirements.

Anything you and your staff can do to ensure that all families receive the enclosed Migrant Education Program Family Questionnaire would be most appreciated. Please feel to duplicate the enclosed Master, as you need additional copies.

All completed forms should be sent to the **Migrant Education Program, 333 S. Beaudry Ave Suite B2-216**. Once we receive the completed forms from you, we will send you a list of all qualifying students in your school.

Thank you for all your help in this endeavor. Please call Alejandro Almaguer at (213)241-2090, if you have questions or need further information.

Sincerely,

Nellie Barrientos, Coordinator
Migrant Education Program
