“READY, SET, GO!”
BEFORE SCHOOL LEARNING AND ENRICHMENT PROGRAM

“**READY, SET, GO!**” is the Los Angeles Unified School District’s Before School Learning and Enrichment Program. “**READY, SET, GO!**” has been developed to meet the academic and supervision needs for many elementary children throughout Los Angeles in the critical period before school begins.

As many parents find it increasingly difficult to find a safe and supervised place for their children in the before school hours, “**READY, SET, GO!**” staff is available at selected schools. Long commutes, early morning scheduled work hours, and continuing education commitments, all impact the ability of parents and guardians to provide adequate supervision for their children. As a result, starting the school day becomes an anxiety-ridden and hectic event for young children. “**READY, SET, GO!**” endeavors to provide a safe environment, ensure the children are ready for the school day, engage them in meaningful and fun learning activities, provide breakfast and involve the children in some light recreational games.

Beginning 2 hours before the school instructional day starts, “**READY, SET, GO!**” students follow this typical schedule:

READY... (first 30 minutes)	SET ... (middle 30 minutes)	GO ... (last 30 minutes)
<ul style="list-style-type: none"> ❖ Arrival & Sign-in ❖ Get students READY for school ❖ Check Homework ❖ Engage students in Independent Learning Activities (reading, games, quiet activities) 	<ul style="list-style-type: none"> ❖ SET the Purpose for Learning with Group Learning Games & Activities ❖ Involve Students in Interesting Learning Components with a Focus on Literacy & Math 	<ul style="list-style-type: none"> ❖ Participate in Federal Breakfast Program (based on qualification) ❖ Take Part in Group and Individual Recreational Activities ❖ GO to Class <p><small>The program may vary at individual school sites to better support the mission and goals of the school.</small></p>

“**READY, SET, GO!**” is provided **free** to students at selected schools. Program capacity is established by the State on a school by school basis and is determined by the enrollment of the school. Youth Services, the District’s After-School program provider, operates and manages the 95 school-site programs. Parents/Guardians are required to send their children each morning up to 2 hours prior to the start of the instructional day and personally sign-in their children at the registration area.* NOTE: Parents may have students sign themselves in if the appropriate parent authorization form is on file with the Ready, Set, Go! site staff. Students must attend a minimum of 45 minutes per day to remain in the program. Both parents/guardians and children must sign an agreement form to participate in the program. Students may attend only during their regular (on-track) calendar days. Off-track, intersession, and Pupil-Free-Day attendance will not be available. The program does not operate on holidays or during vacation periods.

* Parents/Guardians may designate a pre-authorized list of adults, 18 years of age or older, to sign-in their child(ren).

For additional information, contact Dennis Stecchi, Project Director for “**READY, SET, GO!**” at (213) 241-7900.
